Elizabeth City State Teachers College

Elizabeth City, North Carolina

Today

Foreword

Four years ago, the graduating class and Dr. Walter N. Ridley joined the Elizabeth City State Teachers College family.

Today, we view with pride the phenomenal growth and development of our college during the past four years.

The 1962 PIRATE records in words and pictures this "Spirit of Progress."

Dedication

TO ELIZABETH CITY STATE TEACHERS COLLEGE ALUMNI

For the sincere interest you have exhibited in the growth and development of your Alma Mater,

For the encouragement you have given the administration, faculty, staff and students,

For the many contributions you have made to the institution,

For your faith and pledged support for the future,

We dedicate the 1962 PIRATE — our symbol of appreciation.

For the members of the Board of Trustees I bring to each of you our hopes that you have seen the growth that has taken place at Elizabeth City State Teachers College since you have been here, and have taken advantage of every facility and experience in your efforts to become an educated person. The last four years have seen much work in building the college, in teaching, and in providing for your living and comfort. Your lives in the years to come will be the rewards for the efforts that the State of North Carolina and the Staff of the college as well as your families have put into your education.

I speak for the entire Board when I say that we hope for you many years of service to humanity and the satisfactions that can come only when one does the best he can in and with his life.

McDonald Dixon, Chairman
Board of Trustees

Board Members:

Mr. J. Carroll Abbott, Mr. Albert G. Byrum, Mr. Roland L. Garrett — Vice-Chairman, Mr. A. Pilston Godwin, Mr. Clarence Griffin, Mr. A. J. Jones, Dr. Clifford B. Jones, Mr. Lunsford W. Long, Mr. Louis T. Randolph, Mr. J. C. Sawyer, Mr. Martin L. Wilson.

Dr. Walter N. Ridley

The President

In September 1958, the Class of 1962 and I came to Elizabeth City together — and now you leave. I hope that you have found these four years as challenging and exciting as I have found them. It has been an inspiration to have been a part of your life and to have had you in mine.

May you have fond memories of these years. I trust you will remember them best because they helped you to develop and to find your way toward your goals as a contributing member of our society with skill in your work, happiness in your living, love shared with others, faith in God and your fellowman, and character built on integrity.
